BAKER BROS

AMERICAN DELI

THE BAKER BROTHERS STORY

Long before there was a Baker Bros. American Deli, there was a Baker family. Born and bred in the great Midwest, brothers Tom and Ken Baker were raised to appreciate the value of an honest day's work and a good meal in return. And in the Baker home, hearty, honest foods were always served in generous portions and made true to original family recipes handed down through the generations.

Today, those same Baker Brothers bring the authentic taste of the heartland to your neighborhood. As you'd expect, they insist on serving quality breads, the freshest produce and only premium quality meats and cheeses. As their guest, you'll find a variety that satisfies both appetite and curiosity.

Visit us often. Enjoy yourselves always.
